Sir,

I have the honor to state that, in accordance with Government Proceedings No.8433-37/Mis.1679 of the 21st January 1898, tolls are being levied on carriages, carts and animals passing on the bridges at Tadasa and Balehonnur on the Bhadra river and at Hariharpur on the Tunga river at the rates prevailing at the Harihar bridge and the rules relating thereto. Under para 9 of the Rules published with the late Chief Commissioner's Notification No.274 dated 4th November 1876, troops, Military Stores or Equipages, Police Officers on duty and persons, or property in their custody as well as

MGCPB—1000—9 9.02

as any property bona fide belonging to Government as established by the production of a certificate from the head of the Department to which it belongs are alone exempted from payment of toll; but when I travelled to Yedahalli from Lakkavalli on the 25th January 1903 the Mutsaddy employed for the collection of tolls at the Tadasa bridge failed to demand toll for my dog-cart as well as my kit cart. On being questioned, he informed me that the carts of Government officials travelling on duty were exempted from payment. On enquiry, I understand that such an exemption in favor of all Government officers on duty without exception is allowed at all the Toll gates in this District, but I am doubtful if it is sanctioned by competent authority- though it is clear that under the Rules of November 1876 only Police Officers on duty can claim exemption. I therefore submit the matter for definite orders.

Sd. M.Narain Rao,
Dy. Commissioner,
Kadur District.
